## JIEDDO READING ROOM

---

The Joint Improvised Explosive Device Defeat Organization is working to leverage all pertinent resources and technologies in a coordinated campaign to defeat the on-going IED threat. Support from the Department of Defense, industry, academia, and other U.S. and international agencies is critical to this mission.

The JIEDDO Reading Room is intended to provide customers, stakeholders, and industry partners with easy access to JIEDDO's capability gaps, emerging critical initiatives, new developments, studies, documents, and items of interest for customers and partners who have the appropriate security clearance, but not access to the information.
